

Commander's Corner

William "Bill" Barnes Commander

Greetings fellow Legionnaires!

Thank you for electing me as your next Department Commander. I and the other elected officials will do our best for you and the Department. Unfortunately, not everyone is going to be happy with some of the decisions that will be made by the Department Executive Committee and myself. However, we will do our best to do what's right for all. Floyd Minch Post 44, Commander Justin Pfeiffer and his Legion Family hosted a very good Convention in Worland.

Been traveling a little bit already. We went to Christmas in July in Buffalo. A week later, went to Ron Woods House in Sheridan. Went to Laramie for Boys State. A pleasant surprise was that one of my grandsons was in the class. First Vice Commander Russ Stafford and I went the 61th National Membership Workshop in Indianapolis, IN. We've been having lots of ZOOM meetings on various subjects.

National Convention will be 23-30 Aug. The first Leadership class will be 14-15 Sept at Gillette College. National Commanders visit will be 15- 19 Sept.

There's more to come and I'm sure, First Commander Stafford and Second Commander Glenn will enlighten you.

Don't forget BUDDY CHECKS! BE THE ONE!

Department Commander, 2024-2025. William "Bill" Barnes

Membership year 2025 is well underway. Our first goal of 50% is 09/11/2024. A few of our Posts have already reached that goal. Remember, there are two ways to do your Posts' transmittals. You can do them online, under myLegion, or you can send them in to me. If you are close to reaching a goal, keep in mind that if you do them online, it takes 7-10 business days for National to process, but if you send it in to me, it processes immediately. Just food for thought when those goal dates come up.

National Convention is just

held in New Orleans, Louisiana. I am very excited to add this to my places I would have never been able to go to had it not been for the American Legion; however, I have already requested that I be shown where the closest McDonald's is, because we all know I do not eat slimy seafood of any kind. It will be sad to see Commander Seehafer step aside as National Commander. I think he did some wonderous things for the Legion. The upcoming National Commander, Jim La-Coursiere will do an excellent job, I am sure. The hardest part

around the corner. It will be a phone call to get the wheels held in New Orleans, Louisiana. I am very excited to add come a statistic.

I have already had a very full summer, attending parades, BBQ's, meetings and other events at different Posts. It is always an honor to attend these events.

Fall Workshop is coming up in October. I would recommend attending. Breakout sessions will be held where information that can be taken back to your Posts will be taught.

As always, it is an honor and a privilege to work for the American Legion, Department of Wyoming. I strive everyday to do my best, so that our Veterans are taken care of. If there is anything I can do to help, or if you have questions, please reach out to me. *Please do not address mail to 1320 Hugur.* Our address is: American Legion Department of Wyoming PO Box 20172 Cheyenne, WY 82003

BETHEONE TO ASK VETERANS IN YOUR LIFE HOW THEY ARE DOING. TO LISTEN WHEN A VETERAN NEEDS TO TALK. TO REACH OUT WHEN A VETERAN IS STRUGGLING.

will be pronouncing his name correctly!

I cannot stress enough how important Buddy Checks are. Times are difficult right now for everyone, there is no doubt about that. They can't fall through the cracks, because if they do, inevitably they become one of the 22 a day. Be the One to check on members in your Post that you haven't seen around. Be the One to reach out to the guy down the street that doesn't seem to be doing very well. Sometimes all it takes is

Gina Mayhan Department Adjutant.

1st Vice Commander's Corner

Words from the 1st Vice Commander

I would first like to start out with thanking everyone for their support in making me the 1st Vice Commander for the Department of Wyoming American Legion. I strive to ensure that our department continues to be a rising star in the National American Legion organization.

Mv focus continues to be on programs and ensuring that we focus on the Four Pillars of our organization, Veterans Affairs and Rehabilitation, National Security, Americanism, and Children and Youth. If we focus on the programs that we already have, we will not only sustain membership but increase it. We must get our image changed from being one of only having the veteran sitting around the bar drinking and swapping war stories to one of being the veteran who continues to serve their community through continued service within the organization.

I would like to also address this: ALL OF US ARE THE AMERICAN LEGION. Yes, you read that correctly. All of us are the American Legion. Not the person you see as holding a commander position, not the person you see wearing a blue and white hat, nor the person wearing a white hat. Yes, they hold positions of title, but The American Legion is a member up organization. That means that members are the most powerful part of this organization. The post can do nothing without the members approval. The Department can do nothing without the post approval, hence the members

approval. National can do nothing without the Department approval, hence the post approval, hence the members approval.

Members are the driving force of The American Legion. Not only are all of us The American Legion, but all of us are also recruiters, retention officers, and membership coordinators. I challenge each of you to reach out and get 1 other fellow veteran to join The American Legion and to mentor them. It is up to you to make this the organization YOU want it to be. If you want an active post, doing things in the community, then participate and help. If you only want to donate money to a great organization, then we say thank you and appreciate all that you do.

Russell Stafford 1st Vice Commander Dept. of Wyoming

Be safe and continue to make this your American Legion

Benjamin Glenn 2nd Vice Commander Dept. of Wyoming

I WANT TO THANK EVERYONE FOR GIVING ME THE OPPORTUNITY TO SERVE!

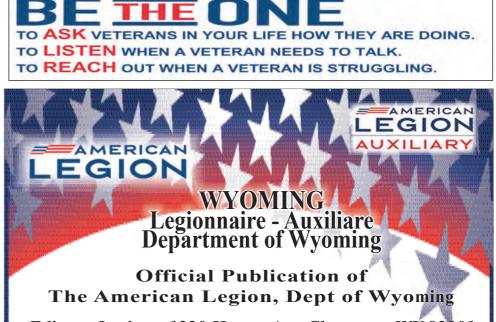

I am excited to be your new Department of Wyoming 2nd Vice Commander for the 2025 legion year. There are numerous challenges facing our department and I will do my best to help resolve them. To start I encourage open dialogue from all our legionnaires. The newest members in our Posts may produce some of the best ideas so let us ensure that every member has a voice from bottom to top. My focus will

remain staying on top of our Veterans Affairs and Rehabilitation program to include staffing our Department Service Office in Cheyenne. I will assist the building committee in providing options for our Department Headquarters building to repair or replace it. I pledge to work with various committees such as the Constitution/by-laws, E.A Blackmore, and Veterans Resource Committee to make the necessary updates. "Be The One" I will support all organized efforts in revitalization/community outreach to help our Districts reach out to all veterans. I will also remain on the High School Oratorical team and encourage all Districts and Posts to get the word out to the High School students in their District about this competition and its outstanding scholarship opportunities. I encourage our entire membership to get out and support all our programs from High School Rodeo and Shooting Sports to Boys State and Baseball. I am excited to see a renewed interest in working alongside our Auxiliary and Sons of the American Legions Squadrons. I look forward to seeing everyone out there this year supporting these outstanding programs. "Service Before Self Not Self Service"

hope your summer went well. As we step into fall and all the activities and fun things (like pumpkin spice, fuzzy sweaters, and eggnog) it brings, I want to remind each of you that you matter. Not just to the organization but as a special unique person-YOU MATTER. Recently my husband and I had dinner with a long-time church friend and missionaries. My friend and I used to do this once a month at her house-she had the room and I like to cook. Due to health issues we had to stop for a while, and

a message to impart, and this one was about foundations. This reminded me of Sunday school singing the song about the wise man who built his house upon the rock and the foolish man who built his house upon the sand. What is your foundation? Is it God or Christ or something else that has great meaning to you? Perhaps a friendship or family relationship or meditation maybe? Does it keep your house from falling apart when the rains come down? Some of us turn to our faith but not evewe just started doing this again. ryone feels the same and they

Hello Legionnaire Family! I The missionaries always have turn to something else. Are you maybe someone's foundation? That person they can go to when the winds threaten to beat them down. That's what it is to Be the One. It can be as simple as a phone call. I know sometimes it seems like that's all we talk about but just remember that if it wasn't important, we'd be focusing on something else. I hope you all have a wonderful fall full of love, laughter and if important to you, pumpkin spice, fuzzy sweaters, and eggnog. May you all be blessed!

DISTRICT AND POST NEWS District 1 News from Jackson Hole American Legion Post 43 and SAL Squadron 43

Our Jackson Hole American Legion Post 43 and our SAL Squadron 43 have continued to hold our monthly meetings in-person and on Zoom, and have continued to participate in our support of the veterans and members in Jackson and our surrounding communities. Our membership is currently 134 TAL members, and 24 SAL members. Our renewals for 2024 exceeded our state goal of 130 members, and our Post was the first one in our District to reach 100% of our goal. We also were the first Post in Wyoming to reach 100% of our SAL Squadron goal. Our Post member, Jack Cook, who is a 94-year old Korean war veteran, has received a certificate commemorating his 70 years of membership in the American Legion! Commemorative Plaque: A beautifully framed plaque in memory of our deceased member, Bill Smith, is now occupying a significant place in our Post This plaque, gener-Building.

ously presented to the Post by local resident, Horton Spitzer, depicts the "Kissing Sailor" photograph taken in Times Square that became famous. Hort had this plaque made in commemoration of the end of World War II and to honor the late Bill Smith for his dedication to our Post and the American Legion. Our Post is extremely grateful to Hort for his generosity in donating this plaque to us

ber Dennis Jones, gave an interesting history of his youth in Jackson, including working as a gas station attendant near the Post, where he was held up at gunpoint one night while closing the station. He also discussed his unusual training and service in the Marine Corps. Joe thanked Dennis for his remarks.

Presentation by T.J. McCann: In July, Post member T.J. Mc- Post was the lead unit again in Cann, gave us an interesting the Jackson Town Parades on talk on his service as a pilot, including time on active duty in the Marine Corps, and in the reserve. He discussed his training on various different aircraft, and how he was able to continue his love of flying long after his service ended. Wyoming Veterans Benefit Night: A very successful Wvoming Veterans Benefit Night took place at our Post on Tuesday, March 12. Representatives from the Wyoming Veterans Commission and the VA were there to help with information

on veterans benefits and other claims issues for the 40 or more veterans and spouses who attended the meeting.

Jackson Veterans Monument: Our Post added a number of new names to the Veterans Monument on the Jackson Town Square in May.

Memorial Day Ceremonies, Parades, and Color Guards: Our May 25 and again on July 4. A large crowd attended our annual Memorial Day Ceremony on the Jackson Town Square on May 27. This was followed by Honor Guard Ceremonies with rifle salutes at three Jackson area cemeteries, and the Snake River Bridge. Post members placed American Flags on all veteran graves just prior to Memorial Day. Our Color Guard also presented the colors at the graduation ceremony of the Jackson Hole High School on June 8.

Presentation by Michele Voor-Post member, Michele hees: Voorhees, was our guest speaker in April. Michele took those present on a trip through her life with many powerpoint slides and photos of the various assignments in her Army career. Her many jobs included several deployments overseas where she commanded a number of different units. She began as a Private in the Texas National Guard, and eventually retired as a Colonel. AUGUST 2024 LEGION-TAL

American Legion Americanism Picnic: Our annual Post 33 Family Americanism Picnic will be held on Saturday, August 31st at Northside Park, beginning at 11am. Sherri and Angela will cater. There is no cost for the meal and members and their families are encouraged to attend. Please RSVP to Ken Persson Sr., at 349-2881, text to the same number or e-mail to ppersson@ tcinc.net. We need a good headcount so we have enough food for everyone. There will be typical picnic fare, hamburgers, salads, desserts, beans etc. The picnic will be in addition to our regular August meeting. If you know a veteran that is not a member of the Legion, ALA or Sons, please consider inviting them as our guest. We are planning to honor a number of our youth champions. If you are able to help with set-up, please contact 2nd VC Ella Riggs at 307-922-1193.

Patriots Day: Although no plans have been finalized, we are planning on an event much the same as in past years. The Post is planning a Honorable Flag Disposal ceremony the afternoon of September 11th. This ceremony will be held at the Veterans Memorial at Mt. Hope cemetery, following any celebration the City of Lander holds for Patriots Day. Further details will be announced during the August monthly meeting.

Membership: At the end of the 2024 Legion year, Post 33 had not reached our membership goal for the year. We will be pushing early this year to meet our 2025 goal of 220 members, so expect phone calls and knocks on your doors if not paid up. Renewal notices for 2025 should be in the mail soon, if not already in your mailbox. You may renew online at legion.org, send a check for \$50 to Post 33, PO Box 6, Lander, or bring it with you to our next monthly American Legion meeting. We will continue to encourage early renewals by drawing \$100, \$75 and \$50 winners from our list of renewed members! The first drawing will be held on Veterans Day (\$100), the second at our Christmas Dinner (\$75), and the final drawing at our Legion Birthday Dinner (\$50). So, renew early for your chance to win some money! During the month of August, your membership committee will be working to identify and contact veterans in our community who have not joined the American Legion. If you know of anyone; co-worker, friend, neighbor, etc., who fits in this category, please talk to them about joining or forward their names to Keith Trouwborst, 1st Vice. Remember, membership recruiting is every Post member's responsibility!

Veterans Crisis Line: The Veterans Crisis Line has transitioned to a new 3 digit number: 988. The new number is easy to remember and share in times of crisis. Veterans and current military members can dial 988 on any phone and press 1 to speak with a responder trained in crisis management and military culture. Anyone can call if they're worried about a loved one who may need crisis support. Be the one to help. 1-800-273-8255 is still active.

Avenue of Flags: Flag display on Main Street occurs 5 times a year and is facilitated by the Sons of the American Legion Squadron 33. We have been fortunate to receive help from both our Scout Troop and the Legion baseball team in putting up and taking down the 80 flags during these periods. The last two events this year will be Patriot Day and Veterans Day. Expect flags to go up on 10 Sep and down on 12 Sep. Times will be dependent on Scout/ baseball team school schedules those days. For Veterans Day, we will put the flags up on 8 Nov and take them down on 12 Nov. Specific times and dates for Memorial Day weekend, Flag Day and Independence Day will be determined in the springtime.

Chaplain's Corner: Post 33 Chaplain and Service Officer Lori Crump is available for prayer and comradeship. Please call 307-330-3310.

Today's Scripture comes from Paul's Epistle to the churches in Galatia. "But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law. And those who belong to Christ Jesus have crucified the flesh with its passions and desires. If we live by the Spirit, let us also keep in step with the Spirit. Let us not become conceited, provoking one another, envying one another."

Good day! As the recently elected District 4 Commander I want to intro- brother-in-law Mike Toyne (Major, USAF Retired) to honor all Vietnam Vet-

duce myself to those who I may not have met in the past. I retired from active duty after serving 21 years in the USAF, I have worked as a defense contractor for 20 years in various locations worldwide and the past three years for the U.S. Forest Service.

I have already worked closely with the D-4 Vice Commander Nicolle Laffin on a couple of issues for local veterans. Nicolle also serves as a Commissioner for the Wyoming Veterans Commission for our area, we are very fortunate to have her as part of our D-4 team.

Additionally, Steven Olsen who currently serves as the 1st Vice Commander of Hughs-Pittinger Post 26 has volunteered to serve as the D-4 Adjutant. I look forward to working with Steve and Nicolle in the coming year

D-4 Big Horn Basin Riders - American Legion Chapter officially reinstated as a part of Wyoming American Legion Riders of the United States (WAL-RUS) at the recent Departmental Convention. Members of the newly activated charter made an inaugural ride on Sunday June 23 from Worland to Powder Pass on the Big Horn Mountains (see photos) Other members were able to make the Red Lodge Poker run in July. (see photo)

Attended an event in Thermopolis sponsored by Amie Toyne and her

erans from the Big Horn Basin, which includes Big Horn, Fremont, Park, Hot Springs and Washakie counties. Each veteran present was personally welcomed home by Mike and presented with a "Band Aid for the Heart Pin." The Band Aid for the Heart Pin is to help heal the hearts for the treatment these Veterans received when returning home. Four members of the American Legion from District 4 were in attendance.

Met with D-4 Vice Commander and various Post members and discussed ideas to get The American Legion (TAL) Post's in D-4 more active within their communities.

Accompanied Veteran Commissioner and D-4 Vice Commander Nicolle Laffin to Thermopolis to attend the interment ceremony for Ronald K. Philips, retired Army SSGT. At the request of the family, Nicolle ensured an Honor Guard from the Wyoming National Guard, and a Flag detail and Bulgar from Post 44 were present.

I'll be attending the National Convention and look forward to learning more about the resources available that we can implement to enhance our efforts at the Post, District and Department level.

DISTRICT AND POST NEWS District 4 Continued LOVELL, WYOMING ROBERT BOYD STEWART POST #11

The Robert Boyd Stewart Post 11 has had another busy spring and summer. We hosted three Memorial Day ceremonies and attended three parades. We were so fortunate that the Department Oratorical winner, Riley Laffin, represented our post as well as this year's Wyoming American Legion Rodeo Queen, Peyton Bischoff. We also received an excellent report back from our Boy's State attendee, Jarrett Allen.

This spring we reinstated our Poppy program much to the delight of everyone in town. We had a large attendance at our Flag Retirement ceremony where we were able to congratulate Mr. Walker for 50 years of American Legion Membership.

We look ahead to our post picnic, resuming our flag etiquette program for the schools and town, and of course, this year's Veterans Day programs.

Respectfully Submitted, Nicolle Laffin Post 11 Historian

WORLAND, WYOMING FLOYD MINCH POST #44

American Legion Floyd Minch Post 44 has had a very busy summer this year, keeping the Legionnaires hopping through some unusually high temperatures.

Summer for Post 44 begins, as always, with our annual Memorial Day ceremonies, holding services in both Worland and Ten Sleep cemeteries. Flags are placed on the graves of all veterans buried in the cemeteries and services held at veteran memorial sites in the cemeteries. This year our main speaker was Wyoming U.S. Representative Harriet Hageman, who offered inspirational words in memory of our veterans.

This year, Post 44 hosted the Department of Wyoming Annual Convention, an event which brought Legion Family members from around the state to conduct business and enjoy Legion camaraderie. Hosting the convention found Post 44 Family members cool on the surface, but paddling like mad behind the scenes.

Next, Post 44's Honor Guard provided a Color Guard to lead the Ten Sleep Fourth of July Parade, an honor Post 44 has enjoyed for more than 50 years

The Washakie County Fair in late July provided Post 44 with an important and lucrative opportunity for fundraising with the beer sales concession and a food booth at the fair. Volunteer Legionnaires manned two beer locations and the food booth, which sold loaded baked potatoes, built on one-pound spuds, which proved to be very popular with fairgoers.

The first Sunday in August always finds the Post 44 Family gathered for the annual Picnic, held at the Pavilion at Veterans Park in Worland. The Post provides burgers, brats, pop and beer; members bring in the side dishes. The guys broke in a new Pit Boss grill at this year's picnic, and gave it high marks. The picnic is always a good time and one of the four free events the Post offers to paid-up members.

August found Post 44 Legionnaire volunteers manning the beer wagons at the 23rd Annual Nowoodstock Music Festival at Vista Park in Ten Sleep. The three-day event offers live music, food trucks, pop, and beer. Post 44 has worked the beer wagons for 20 years, bringing in muchneeded funding for Post veterans' programs and Post Home building maintenance.

After a busy and productive summer season, on the horizon for Post 44 are moving indoors for the NFL and UW Cowboys football seasons and our Early Bird Dinner in October.

In all the events and programs Post 44 conducted throughout the summer, and year-round, we are fortunate to have strong support from the members of Auxiliary Unit 44 and SAL Squadron 44, which are active in their own right. They will jump in to help the Post at every opportunity.

Hello from Powder River Post 13. We have been busy, participating in Christmas in July at the Veterans Home of Wyoming, and attending the Department meeting in Worland. We have been involved in many Veteran funerals. We continue to serve breakfast twice a month. We provided Color Guards for Longmire Days. We'll provide Color Guard for the

Johnson County fair and rodeo parade. We'll also be selling beer in our booth during the Johnson County Rodeo. I wanted to remind our members, a new fiscal year has started July 1st, so dues are due. You can pay for 3 years at a time now.

I hope everyone is having a great summer.

Congratulations to Post 6 Legion Baseball for winning state!

Francis E. Self Post 6 is busy as always. Amongst their normal busy schedule of Karaoke on Friday nights, a band and dancing on Saturdays, they also have cribbage tournaments, and their Color Guard/Honor Guard are always doing honors. One of the special events was participating in the parade for the 2024 Cheyenne Frontier Days. Upcoming events for September is the Labor Day picnic held at the grassy area of the Post on September 2, and their regular membership meeting is on September 11th.

Husted Pendleton Post 14 Laramie held a S.A.L. Charity Dinner on June 29th; a wonderful Fourth of July Celebration with a rib dinner, and corn hole on the lawn; their Friday night brisket on July 26 followed by a BBQ on Saturday July 27 hosted by Unit 14 Auxiliary; A Membership Monday on July 29th with brisket tacos; and the Patio Party on August 30 was free and open to all Veterans and Legion family. Upcoming events for them are: Oct. 12 - Concert with Shawn Hess and Casper Allen; Oct. 19 the Early

Bird Dinner; Oct. 26 Military Appreciation Day at the UW game Cowboys versus Utah State at War Memorial Stadium: to close out October, they will be hosting a Halloween Party on Oct. 31.

a special congratulations for not only working hard to save their charter, but for being the first in the 24-25 year to make 100% in membership. This little Post is working hard at growing and being active in the community. During Burns Day, Commander Walt Schaeffer had an information table about the Legion set up and is doing the same thing at Grover Day. They recently delivered about \$120 worth of school supplies to Burns High School. I think we will all see more from this little Post with the big heart!

I met up with Adjutant James Sorensen of Albin Boyce Marlatt Post 77, and spoke briefly. Presented him with their membership cards and information for the 24-25 year. I am looking forward to my post visit with them.

I paid a visit to the home of Post Commander Jack Flores of Garcia Castaneda Post 93, and presented him with his membership cards and information for the 24-25 year. It was a pleasant visit with him and his wife and Department Adjutant Gina Mayhan.

During the Pine Bluffs Trail Days, Post 60 Color Guard led the parade, and on Sunday, they held their Annual Brick laying ceremony for Veterans and their families. There were 34 regular bricks and one Purple Heart brick laid. The speakers at the ceremony were Tim Shepherd - Veterans Commission Director, Governor Gordon and First Lady Jennie Gordon.. It was well attended by Veterans, family members, Mayor Justin Fornstrom and his wife Kara, along with Town Council member Allie Leitza and myself - District 6 Commander.

I will be reaching out to our other Posts - Angus England Pst 54 Saratoga, William Horne Post 64 Medicine Bow, and Hittner Engstrom-Duncan Post 122 in the near future

DISTRICT AND POST NEWS District 6 Continued PINE BLUFFS, WYOMING DONALD W. EISENHAUER POST #60

On Sunday, August 4th at the Veterans Memorial Plaza in Pine Bluffs, as part of the Trail Days celebration was the annual Bricking Laying ceremony by the Donald Eisenhauer American Legion Post 60. The veterans or the families of veterans purchase a memorial brick to be displayed in the plaza. It was an incredible ceremony. There were a total of 35 bricks presented and placed at the plaza. They were from all the different branches of the military, along with the different eras of the wars throughout time. It was time for everyone to reflect on how important each one is of our time and their time through the veterans military time. The veterans that placed their own brick took a moment to reflect on the memories that got them to the here and now. Families were about treasuring their loved ones that has once been here and are now gone. Tears were shed of relief, loss, and honor at the ceremony. It is important, each veteran is a precious person to each of us even though we the people may not know them personally.

Of the 35 bricks there was also a Purple Heart brick for Specialist Colton D. Sasser, which was placed on the Purple Heart Wall by Natalie Harris, Auxiliary member of Unit 60.

Governor Mark Gordon and First Lady Jenny Gordon were able to attend that ceremony. He talked about his grandfather and friends in the military. Governor Gordon said, "Amer-

ica will always do the right thing. It will be in the right way and it will do it right away." He talked about all the veterans, the living and those who have passed. Those that have yet to come home and also the members of the families. Governor Gordon talked about his father, who served in World War II. He feels he is honored. First Lady Gordon said, "I want to thank the late Larry Silvey for recognizing these great men and women that donned the uniform of the United States of America. This community's admiration and gratitude for all of those that made sacrifices in the service of our country and it will always stand as a reminder to the future generations the their freedom did not come through free." She talked about her family serving in all the branches of the military.

Senator Lynn Hutchings from Cheyenne spoke at the ceremony. She said, "I and my husband have served a total of 74 years in the military." Senator Hutchings talked about our constitution. That it is an anchor and a stable walk for us to give direction on how our government should be governed. She knows that both her and husbands reassurances was that America was well looked after on their watch in many ways.

Congresswoman Harriett Hageman sent a representative along with a letter about her support and gratitude of the veterans and thanked the Donald Eisenhauer American Legion Post 60 for the invitation, as she was unable to attend due to the fire that was still burning her family ranch. The other representative who attended was for Senator Lummis. Lummis sent a letter about the honor of being invited to the ceremony but she was not available.

Tim Shepherd recognized two special awards. Veteran, Ralph Milton earned two stars that are very rare. Shepherd went through Milton's service record on what he had done. His family received a brick of citation. The second citation was for Denton R. Dudrey. Again Shepherd went through his military service history.

Other officials that were at the ceremony but did not speak were Mayor of Pine Bluffs Justin Fornstrom, council member Allie Leitza, and Department of Wyoming District 6 commander Penny Merryfield.

The veterans were called one by one with their families to lay their bricks. Some of them found other veterans they had not seen for years. It is family that is not blood but was blood shed by family. They understand each other from their time serving America even though it was not at the same time.

Jennifer Sherman then presented two families with framed photos of their Honor Flight trips. The Honor Flight families were the Smith's, Julie Butler and Shalane White. They were honored with an awesome trip.

The last of the day was about the

beautiful quilts that are given to veterans for their trip with the Honor Flight. Marilyn Lanham and Barb Jo Carley are part of the Quilts of Valor Foundation. This group of 20 women make quilts to give to veterans for their service in the military. Each quilt is different and beautiful. The smiles on the veterans faces that will soon be taking the Honor Flight was shining with honor. There were five veterans that received the quilts. It was very hot but to have the quilt wrapped around them was an honor.

After the ceremony Governor Gordon said, "Pine Bluffs knows how to cerebrate veterans. They remind us of what everyone has given for the freedom we have." The First Lady added, "It was an honor to be here. Continue to support the men and women that keep us safe." Senator Hutchings stated, "This was a great ceremony. I went to the World War II Memorial in Washington D.C., but this has surpassed it being small town America. It was amazing. I will be back." It was a great crowd for being so hot out. The respect for our veterans was very apparent at the Trail Days Brick Laying Ceremony.

DETACHMENT NEWS:

Wow, this summer is flying by with lots of events occurring the past two months with such events as our Summer Convention in Worland, Post 44, Christmas in July at the Veterans home in Buffalo and now we have some of the new Detachment officers attending the National Convention in August. We are now starting our new membership year, 2025 with new goals and projects to plan for at the Detachment and Squadron level. It will be an exciting year!!

I will start with our Summer Convention in June first. I thought we had a great turnout for the Department and the Detachment. The Detachment had a record number of members in attendance, twenty-two members, from nine squadrons and five out of our six District Coordinators were present. I want to thank

for each of the Four Pillars. We had seven squadrons that accepted the challenge of our National Commander. They are as follows: Douglas, Sq. 8, Rock Springs, Sq. 24, Powell, Sq. 26, Gillette, Sq. 42, Jackson, Sq. 43, Worland, Sq. 44 and Saratoga, Sq. 54. I want to thank all of our Squadrons for all their efforts to achieve this lofty goal, which we were awarded certificates signed by our National Commander, Donald Hall at our Convention. The Detachment gave out awards for Volunteer of The Year to two members tied for the award. They are Kevin Peters from Saratoga, Sq. 54 and Ernest "Bud" Schrickling from Powell, Sq. 26. Don Hall, Worland Sq. 44 was awarded the Adjutant of the Year. Brent Bruggar hand made the plaques. Many thanks to our recipients and Brent Bruggar for making the plaques. Also, there were awards given to the squad-

sion and support along with newly elected Department Commander Bill Barnes. We accomplished our goal by installing the flag pole and a pipe fence around the pole to prevent cattle from rubbing on the pole and damaging it.

For the second year in a row, the Navy has won the overall Championship for the most fish caught over the Army and Marines contestants!! It should also be noted Navy had the most fishing contestants. All said and done, all of our Veterans enjoy the fishing contest and do not care who wins!! Or do they?? Competition is always good!!

all of our members that attended our meeting and making it a very open forum for discussion and greatly increased our communications within our organization.

Awards: First of all, I am very proud of our Detachment because we accepted our Sons National Commander, Donald Hall, challenge to all of the squadrons to accept the Four Pillars Challenge to complete in 2024 by raising a minimum of one dollar per member rons that achieved 100% membership for 2024. Congratulations to all for making a successful membership year!

Elections: As always, we held our elections commencing with the Detachment Commander. Donavon Dusel has been our Commander for the past three years and had decided he would step down to allow another member to seek the top command. Micheal

"The Final Roundup"

Leila Dean President

The 2024-2025 Auxiliary year has begun. I want to thank you for electing me your Department President for this year. I plan to continue much of what Tammy implemented during her 2 years. I will continue to have our monthly Zoom meetings with

my Chairman and the District President's and making our Department meetings fun.

Update on my health, at Convention I told everyone that I could not attend National Convention this year because I had to have surgery. Since then, I have had the second surgery and my Dr. feels that he got everything. He scheduled me to come see him in 6 weeks for a follow up. Since then, I have also been told my cataracts in my eyes need to be removed. I have my preliminary appt with the eye surgeon on August 27th then he will schedule all the appointments for the removal from both of my eyes.

Summer has been hot, this year and it is coming to a close very quickly. But it also means that for those Units that have been on vacation they will be ramping up their plans for this

upcoming year. I hope you Have all had a great summer. So, as we begin to actively get busy in our Units.

My theme for this year is "Be the one" I want all of us to step up and Be the One for our Veteran's and our community. I want all my Units to work hard to get our members to take the National online classes so they can be prepared to step up into Leadership roles within our Units, Districts and the Department level.

I want to thank Robin Ruff for stepping up to run for Vice President this year. There were no announced candidates for this office before Convention so we had to have the Units present to caucus with member's so we could get someone from the floor and that is when Robin stepped up. The trend the last few years has been increasingly scary as no one wants to step up into

Leila Dean, Department President

leadership roles. My hope is if members take the classes that they might be more comfortable to step into the roles that are necessary for our organization to continue to thrive. The American Legion Family needs to continue so our veteran's will be taken care of.

I want to mention that we do not have a volunteer for the Cheyenne V.A. at this time. So if anyone in and around the Cheyenne area wants to step up into this position please contact Peg Sillivan at the Department Office.

For now I wish you all a great year and I hope to see you all in October for Fall Workshop in Casper.

Until then We all need to "Be the One"

I am eager to serve as the Americanism Chairman for the 2024-2025 year. Having previously held this position for 4 years; I have found great enjoyment in working this program.

Patriotism is not emphasized in our schools like when I was a student. Although our Wyoming schools do a better job than most. Many children aren't taught the correct way to recite the Pledge of Allegiance. I, myself didn't realize I was saying it incorrectly until I volunteered for Girls State. Many children do not know the history of the poppy. We, as members and chairmen of the American Legion Auxiliary are here to help educate our children and our communities to have a better understanding of what Patriotism is and to lead by example.

We would like to get more participation in the Americanism Essay Contest and I'm hearing that the Units are unable to get into the schools. I hope that we, as Unit chairman can address these concerns and see if there are some strategies that we can use to come up with a solution to this problem. The new theme for the essay contest will be published at the National Convention at the end of the month of August.

I would also like to have a flag picture contest for the Units this year. The details will be coming.

There have been so many ideas running through my head, but one project I would like to

I plan to have this all worked by Fall Workshop.

Historian report for Auxiliare August 11, 2024

As the meeting year starts back up, remember that everything we do is our history, and should be recorded so that those who come after us know where we've been. Please remember to keep track of your hours throughout the year and turn in your Unit Impact Reports in April. I look forward to reporting to National everything that our Units and Department due this year.

Jessica York Historian

Legionnaire - Auxiliare Department of Wyoming

"Constitution & Bylaws

ATTENTION: There were numerous changes made to the American Legion Auxiliary Department of Wyoming Standing Rules at the Department convention in June. There were no changes made to the Constitution or the Bylaws. The most current version of all of these documents is available for download on the Department website. If a hard copy is needed, please contact the Department office or myself.

I. ORGANIZATION

A. Department of Wyoming - removal of Section #3 concerning the placement of Department awards in the Cavalcade of Memories as it no longer exists.

C. Meetings/Gifts/Flowers/Greetings - removal of Section #6 concerning the sending of Christmas greetings in the name of the Department of Wyoming as this is no longer done.

E. Candidate Endorsements

National Candidate Endorsements - Section #4 added to cover disbursement of Department funds for a national candidacy.

V. DEPARTMENT CHAIRMEN

Section #9 updated to read that year end reports are due to the Chairmen by May 1st.

Section #10 removed as award information is no longer placed in Unit packets, but instead published on the Department website.

Section #11 removed as critique sheets are no longer used for award competition.

M. Poppy – Section #3 removed as the Poppy Chairman is no longer responsible for obtaining and distributing the Unit poppy orders as this is done by the Department office. Section #6 updated to read that first and second place winners in each class must be submitted to the Department Chairman for judging.

O. Veterans Affairs and Rehabilitation - changes too numerous to document in this short article. VI. AWARDS

A. Americanism

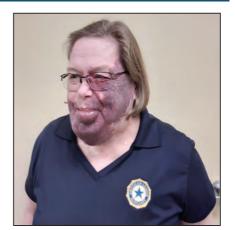

Americanism Essay Contest - Section #3 updated to read first and second place Unit entries in each class must be sent to the Department Chairman for judging.

H. Leadership - Section #1 updated by changing women to members. Section #2 updated to read recognized at Department Convention with an engraved award. Removal of Section #4 as the National Leadership Committee no longer presents the Unit Member of the Year with an engraved award.

VII. DEPARTMENT CONVEN-TION

R. Allowable Expenses - Section #6 updated to remove the Parliamentarian as the Department no longer has one and the 3 voting members of the Finance Committee as the Finance Committee now meets prior to Department Convention via Zoom; and addition of the District Vice President if standing in for the District President.

T. Unit Convention Committee's

Shareen Johnson Constitution & Bylaws Chairman

Responsibilities – Sections #9, #10, #11 removed as these are no longer required.

A new section was added to the Standing Rules titled XII. AMEND-MENTS. Included in this section are the necessary steps to amend the Standing Rules as this information was not included previously.

Respectfully submitted. Shareen Johnson, Constitution & Bylaws Chairman

By the time you read this article, summer of 2024 will be history. I hope everyone had an enjoyable summer and your units were able to spend some quality time with your veterans. Please remember to track those hours both on an individual and a unit basis. During the Dept Convention, 589 pairs of socks were collected to be donated to the various veteran facilities. Thanks everyone for your support!! Don't forget the veteran stand down in Cheyenne on September 7. Unit 29 in Basin held their first veterans suicide awareness rally on July 22 on the main street in

Basin. They will be at this same spot with their signs on the 22nd of each month, come rain, snow or shine. And boy did it shine that day – it was around 95 degrees. For a first-time event, they were thrilled with the response from the locals. The Chamber of Commerce provided water, the unit had flags of the various branches of the service which were mounted on a stand next to the members and the members held signs reading "any is too many" with the veteran suicide number listed. Note: they used the national suicide awareness phone number, but it was recom-

mended that we use the Wyoming number of 988 as veterans want to speak with people who understand Wyoming. The ladies waived at everyone who drove by and talked to various people on the street, including a Wyoming Senator who stopped to visit about the program. The signs were made in Powell and come already mounted on the stakes. One of my goals this year as Dept VA&R Chairman is to get more of these rallies started around Wyoming. If you would like additional information, copies of the information on the signs, etc. please let me know. A big thank

Trudy Zaffareno National Security Chairman

NATIONAL SECURITY YEAR-END REPORT

One of the goals of the American Legion Auxiliary's National Secu-

rity program is to provide for the needs of our military families on the home front. This includes auxiliary members reaching out and helping support emotional and social needs of active, reserve, and transitioning military and their families. As a soldier and family readiness specialist for the Wyoming National Guard it makes sense for me to volunteer for this chairmanship.

Some of the things that stuck out to me from the unit reports this year were Ft. Bridger helps military families of deployed service members by assisting in childcare needs, lawn care in summer and driveways in winter, and collecting coupons for overseas commissaries. They also collaborate with FEMA to act as an emergency response resource during manmade or natural disasters. Glendo has 6 enthusiasts of their 82 members who send greeting cards. holiday cards, and thinking of you cards to those who live far away. They have continued to send pocket

prayers that they started last year to deployed service members. Moorcroft sends care packages to activeduty graduates and their schools make gift bags to be delivered to the veterans. Powell takes care of families on the frontline, before, during and after deployment with delivery of commodities when there is a service member or family in need of groceries. They also get a special holiday basket during Thanksgiving and Christmas. Buffalo along with many of the other units proudly wear RED on Fridays to bring up awareness to active-duty veterans and wears them every Friday until they return. It stands for "Remember Everyone Deployed. "Gold Star Banners are presented or sent to families of deployed to be placed in their windows at home representing that they have a member of their family serving.

As Department of Wyoming Chairman for 2022-2023 I received 8 Unit National Security reports.

District and Unit News

I'm honored to serve as the District 1 President for the 2024-2025 year.

Green River Unit 28- Members participated in the Memorial Services. In June the members elected a new Unit President, Andrea Shuck. There was no meeting in July. In the August meeting the members set up the busy schedule for projects and programs for the coming months, paint nights, purse action and basket donations for the riders poker run and music bingo.

Pinedale Unit 47- The Unit set up a poppy table on the Friday and Saturday before Memorial Day and received \$456 in donations. They participated in the Memorial Day services. The members participated in the food distribution for the Wyoming Food Bank. They are cur-

Unit 26 Powell - We participated in the Park County Fair parade. We are keeping up with our food program for the community and we are supporting our families of our deployed soldiers. There have been quite a few deployed. Bingo is still happening. We pray for the safety of those deployed.

Unit 29 Basin – In May we assisted with the Memorial Day ceremony at the local cemetery and conducted the laying of the wreaths ceremony. In July our Unit supplied root beer floats during one music in the park event as a community service project. The leftover floats were handed out at a local "cooling center" that opened during the extreme heat. 144 toothbrushes were purchased and sent to Cheyenne for the upcoming stand down. On July 22, we held our first veterans suicide awareness rally (more about this under the Dept VA&R Report. Unit 44 Worland - Unit 44 participated in the Memorial Day ceremony. Several members and juniors participated in hanging the wreaths. The 2024 state convention held in Worland was a great success. We had wonderful attendance from around the state. Our ALA business was attended to

along with some fun activities added in. There were some real "hams" at the Photo Booth and the ladies were off and running with the horse race. A big thank you to all who brought and bid at our purse auction. There was some fun competition for that favorite handbag! Our money raised will be used for Girls State delegates. Several attended the Ten Sleep 4th of July parade. Several members helped serve in the Legion food booth during the county fair. Many will be helping at the booth for the Nowood Stock music festival in Aug. This year we have added a new project.

CONVENTION THANK YOU

Not sure exactly what to report. I had on hand a lot of items we used for decorating and Borrowed items. Unit 25 and Buffalo units donated snacks. Basin Unit donated flag pins. I personally spent \$100 between food and purchasing items. Unit 44 spent \$60 for door prizes. Other units brought additional door prizes.

I would like to thank all who came, donated and helped make it a successful convention.

Our final count on the purse auction was \$691 for our Girl State Program. I believe the sock count was 611 pairs of socks for Buffalo, Cheyenne and Sheridan. *Cynthia Pfeiffer*
