

# Girls State Mail

For many of the delegates, this is their first time really away from home. They have been placed in a Girls State City with girls from all over the state and all are unfamiliar. Care packages are a great way to help them through the week. You can collect them from parents, family and friends and even your units can send letters and small gifts. Mail is distributed usually in the evenings during city meetings.

**HOW TO MAIL:** Best to give all the letters and small gifts to someone going to Girls State. Label your letter or gift with the delegate's name and Girls State City and the day you want it delivered. For Example:

Jane Smith  
Antelope  
Monday

**Ideas for notes:**Just a note that says you believe in them can mean the world on a tough day. Famous patriotic quotes, history tidbits about your Unit, past girls state, wyoming history, etc, encouraging biblical passages to help them with their flag raising ceremonies and their patriotic presentations.

**Ideas for small gifts:** chapstick, lip gloss, kleenex, room scents, hand sanitizer, snacks-NO gum please, microwave popcorn, hot coco packets, nice pens, pencils, pads of paper, journals, colored pencils,
